

Aldon Auto Return Policy

We have a 30 day "No-Hassle" return policy. Our parts are OEM parts and have been fully tested by our trained dismantlers. If for any reason you are not satisfied with your purchase, return the part with your receipt for exchange or refund. If you choose to return the used parts you purchased, you can do so within 30 days. The only stipulations to the 30 day "no hassle" warranty is that the parts will not be accepted if there are obvious signs of tampering or negligence to the parts and that the customer will pay the return freight costs. Special order parts, body cuts or parts used for test purposes are NOT RETURNABLE. A return and credit form must be completed and accompany the returned part.
